CLASS DESCRIPTIONS

These descriptions are designed specifically to provide a general understanding of various terms and descriptions used in relation to this show. They are provided to assist newcomers and spectators gain a basic awareness of the criteria for various classes. They are in no way intended to supersede, replace, or be used in lieu of the official rules related to showing. For specific definitions and rule statements, refer to the current AMHA show rules.

HALTER: Horses to be shown in hand at a walk and a trot. Horses are shown with all four feet flat on the ground and square or at least one front and rear cannon bone perpendicular to the ground. Stretched horses are to be penalized. Transmissible weakness or unsoundness is to be penalized. In the case of two animals being judged equal, the higher placement shall be awarded to the smaller animal.

HALTER CHAMPIONSHIPS: Championship classes shall include the first and second place winners from the appropriate age and height divisions. The champions will be selected from the first place winners in a given division, the second place winner from the class providing the champion and the other first place horses will be eligible for reserve champion.

SUPREME HALTER HORSE: This individual is selected from among the champions of the various divisions: Junior Champion Mare and Stallion, Senior Champion Mare and Stallion, and Junior and Senior Champion Gelding.

SHOWMAN SHIP: Classes in which the exhibitor is judged based on the manner in which the animal is shown, groomed and fitted. The conformation traits of the horse are not a factor in these classes. Hats, boots and gloves are mandatory.

HALTER OBSTACLE: These are classes where the horse is shown in hand and the animal is judged 100% on the manner of its performance through the course. Horses must be TWO years old or older.

OBSTACLE DRIVING: Similar to halter obstacle with the exception that the animal is driven through a course hitched to a cart. The cart must be a two or four wheeled vehicle with a basket. Horses must be THREE years old or older.

HUNTER: Horses are judged on their style, manners and way of going over the fences. Exhibitors are not allowed to go over the jumps and whips are not permitted. Horses in this class must be THREE years old or older. Jumps are to be a minimum height of 18" and a maximum of 24".

JUMPER: Horses are judged on accumulated faults. Jump offs are to occur for first place only, jump offs will be held and the course raised. Minimum height for first round is 18" and maximum height is 32". Exhibitors may go over the jumps with the horse but whips are not permitted. Horses in this class must be THREE years old or older.

ROADSTER: Horses are to be shown with a stirrured bike and no basket. Horses are to be THREE years old or older. The exhibitor is dressed in racing silks. Horses are shown at 3 speeds, the slow trot, the road gait, and at a full extended drive on trot. Horses are not asked to rein back. Horses enter the arena clockwise at the jog trot.

SINGLE PLEASURE DRIVING: Horses shown in these classes are THREE years old or older. Horses are shown in two wheeled vehicles with basket in Open Pleasure Driving and Youth Pleasure Driving. Four wheeled vehicles may be used in all other pleasure driving classes. Horses are shown both ways of the arena and judged at the walk, collected trot and working trot. Horses enter the ring counter clockwise at the collected trot. Horses should stand quietly and rein back. Gaits of horses in pleasure driving classes should be natural and not artificially enhanced. No cross entries are permitted with any Country or Classic Pleasure driving classes.

COUNTRY PLEASURE DRIVING: Age and vehicle requirements and entry in the arena are the same as in single pleasure driving. Horses are to be shown at a walk, pleasure trot and working trot. No cross entries are permitted with any Single or Classic Pleasure driving classes.

CLASSIC PLEASURE DRIVING: The ideal classic pleasure driving horse shall be shown with light contact on the reins at all times. Ideally neck carriage should remain low and head set by horse being on the bit and face perpendicular to the ground. Stride should be sweeping and ground covering. Attitude and manners are paramount. No cross entries are permitted with any Single or Country Pleasure driving classes.

YOUTH CLASSES: Open to anyone 18 years or under as of January 1 of the current year. For specific rules relating to youth showing stallions, refer to AMHA show rules. All youth must have a current AMHA youth membership card. Application forms for youth cards will be available at the show office.

COLOR CLASSES: Horses are to be judged 80% on color and 20% on conformation. Horses in color classes are circled both ways of the ring to provide judges an opportunity to view both sides of the animals. Multi colors are open to Pinto and Appaloosa marked horses. Solid color classes are open to all non-patterned colors.

NOVICE CLASSES: Open to any exhibitor 19 years of age or older who has not received 3 first place ribbons in approved AMHA classes of that type having 3 or more horses. The ribbons won refer to the exhibitor and not the horse. Therefore an exhibitor can use a highly successful horse as long as that person has not received 3 first place ribbons in that specific kind of class. A person is eligible to show in novice performance classes, even though they may not be qualified to show as a novice in halter classes.

AMATEUR CLASSES: Open to any individual who is no longer eligible to show in youth classes and has not shown, judged, instructed, trained or assisted in training a horse or another person for pay within the last 5 years. In order to show a horse in amateur classes the horse must be either owned or leased by the exhibitor or the exhibitor's family prior to being shown. All leases must be on record with AMHA prior to the show date. In order to show in amateur classes the exhibitor must show proof of amateur status by presenting or applying for an amateur card at the show prior to entering the ring. Applications will be available at the show office.

OPEN CLASSES: These classes are open to all competitors.

SENIOR HORSES: For the purpose of this show, senior horses are animals which are 3 years of age or older. Senior horses compete in halter classes based on their height. There are 4 height groupings in the senior division, 28" and under, over 28" to 30", over 30" to 32" and over 32" to 34".

The horse's halter is removed and then the horse is allowed to work at liberty for 1 ½ minutes. The exhibitor and an assistant are allowed in the arena during this period. Additional assistance from outside the arena will result in disqualification of the horse. All horses shown in liberty class are at least ONE year old. Whips are permitted but the horse cannot be touched after the halter is removed. After the liberty period the exhibitor (the handler with the number on their back) has 1 ½ minutes to catch and halter the horse. Music is required for this class. A cassette tape pre-set to the appropriate song or CD will need to be supplied to the show management before the class starts.

VERSATILITY: The horse will be shown first in driving (either Single or Country or Classic), then shown in halter and then shown as a hunter. Horses do not leave the arena between divisions. All three divisions count equally. Horses must be THREE years of age or older. Only one assistant will be allowed in the arena only for the heading and unharnessing of the horse. Exhibitor and assistant must be properly attired. There is a two minute time limit to unharness and remove cart from the arena. Failure to do so will result in disqualification. For complete rules see AMHA rule book.

STOCK CLASSES: Stock type horses will be shown in a stock horse manner with the horse standing still, calm and square. Baiting will be strongly frowned upon.
