Your attendance at the NWMHC's AMHA approved shows is welcomed and encouraged. We are noted for sponsoring the largest and most successful shows in the AMHA and hope many of you will take advantage of the fellowship provided at these venues.

Membership in the NWMHC is open to ALL persons who are interested in the miniature horse breed. You do not have to own or show a miniature to enjoy the camaraderie of being a part of our Club.

## **SHOW RULES**

Horses will be judged in accordance with the current rules of the American Miniature Horse Association. A copy of the rule book may be found online at **amha.org** or in the show office with the Show Manager.

Knowing the rules and regulations, as well as the requirements of each class entered, is the exhibitor's responsibility.

Judges Evaluation Cards will be available in the Show Office and may be completed on a voluntary basis.

All horses participating in AMHA approved classes must be AMHA registered. A colored copy of registration papers must be on file with Show Manager. Gelding status must be reflected on the registration papers or on a show letter from the AMHA Office.

AMHA stallions three years and older must have a stallion certificate on file with Show Manager in order to participate.

Horses must not be shod. No pads, wedges, chains, or weighted ankle boots are allowed on the grounds.

All AMHA horses must be measured. (**Exception: Per GR-020-G** If you have a permanent measurement card issued by the AMHA for horses 60 months and older, that measurement card is valid for all AMHA Sanctioned shows, and you present the card and the horse to the person measuring. The measurement on the card will be the official measurement for that horse).

Valid AMHA registration, amateur and/or youth numbers must be provided. Applications for AMHA Amateur and Youth cards are available in the office.

Out-of-state horses require Coggins within 6 months and Health Certificate within 30 days of show. Foals 6 months and younger do not require Coggins if dam is negative.

### **LEASED HORSES OR PENDING REGISTRATION PAPERS**

If a horse has been leased by an exhibitor and is to be shown in amateur classes, it is the exhibitor's obligation to provide written verification from the AMHA office that the lease is on file. It is also the responsibility of the exhibitor to provide written verification from the AMHA as to a pending registration number for a horse that has not been issued papers. If, due to time constraints, the exhibitor is unable to provide written verification for either of these cases, the show management will attempt to obtain verbal verification by phone from the AMHA office during regular business hours. When the show management is required to make phone calls to the AMHA office to verify eligibility, it is understood that the exhibitor will be assessed **\$10.00** per call. These charges are payable prior to receiving entry numbers. No leased horse to be shown in amateur classes or a horse with pending registration will be shown, under any circumstances without written verification or direct verbal verification by the show management from the AMHA.

### **MEASURING**

No AMHA Miniature horse may exceed 34" in height. All horses must be measured and qualify for their height and/or age classification to receive an entry number and compete. All measuring will take place on the show grounds. GR-020-G Permanent Measurement card. If you have a permanent measurement

card for a horse 60 months or older you may present the card with the horse and that measurement will be recorded as the measurement for that horse. Please note that measurement may still be protested under GR-050-C. **ALL BLANKETS/NECK WRAPS MUST BE REMOVED FROM THE HORSE BEFORE MEASURING.**

Measuring will take place at the following times.

Friday – 3:00 to 7:00 pm

Saturday – 7:00 to 7:30 am

Sunday – 7:00-7:30

Monday – 7:00 – 7:30 am. Any hardship measurements will take place at this time.

Exhibitors requesting height measurements at times other than specified above will be required to report to the show office, pay a \$20 late measurement fee (per horse) and obtain a measurement authorization prior to being measured or issued an entry number.
